EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jacques B. Miles (Reg. No. 42,888) on 11/22/2004.

The application has been amended as follows:

Claims 10-37 (canceled).

2. Claims 1, 2, 4-9, 38, and 39 are allowed.
3. The following is an examiner's statement of reasons for allowance: Applicant's arguments, set-forth in the amendment and response filed 8/19/2004, have been fully considered and are persuasive. The rejections of the claims, set-forth in the Office action mailed 5/21/2004, have been withdrawn. With respect to independent claim 1, the prior art neither teaches nor suggests the limitations added to this claim by applicant's above-mentioned amendment. With respect to claims 38 and 39, the reasons for allowance remain the same as those for claims 4 and 5, set-forth in the above-mentioned Office action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Drawings

4. The replacement drawing sheet for Fig. 7 was received in the above-mentioned amendment and response. These drawings are acceptable.
